Education	Institute	Year	CPI/%
Bachelor Of Engineering: (B.E Computer science and technology)	Chandigarh College of Engineering and Technology	2019-23	8.81
Intermediate/+2:	Government model senior secondary school,manimajara,chandigarh	2017-19	88.8
Matriculation:	Harayana model senior secondary School.Panchkula,haryana	2016-17	10.0

INTERSHIP AND PROJECT

- **Easy recruit hiring application** (july23-*)
 - easy recruit is an hiring and talent aquisition software for the entire candidate journey that will help a organization to evaluate and communicate with candidates for any role.
 - The application is build with following tech stack:mongo db,express js,react js,redis*,html,css
 - easy recruit application uses various open source nlp tool to find the right match of role from the pool of candidates and rank the candidate on the basis of need of organization.the application for server is hosted in python http server itself
- **Operating system resource visulization** (Sept22-Nov22)
 - A simulation project help in visualization of various algorithms used operationg system by for resource allocation
 - Project is developed with web technology stack:React js,html,css,js
 - Project is successfully deployed using github pages
 - **Project link:**<https://kunalbabbar2843.github.io/OS-Resource-Managment>
- **FlappyBird neural network** (Jan23-Feb23)
 - implemented and Trained neural network model on flappy bird game,model will able to predict the movement of bird such that bird successfully cross pipes without colliding with obstacles
 - the model is trained using neuro evolutionary Augmention topology
 - the project is developed with python using neat-python and sciket-learn

PROFESSIONAL SKILLS

Programming & Scripting Languages: javascript,HTMLCSS,python,sql,c++,c#,matlab

Tools & Libraries: ReactJS,Unity,scikit-learn,mySQLmongoDB,git/github

HONOURS AND AWARDS

- Selected for Grand Finale of smart india hackathon,national level
- Ranked 2nd in technical quiz on national science day

EXTRA-CURRICULAR

- **Competitive programming (4* codechef)**
competed with various programmer and able to achieve global ranking under 100 in various contest .
- **Cricket played at district level as an allrounder**
